

# Greece

## *Reasons to go to Greece:*

1. Many different islands and beaches  
Greece is a country of about 2.5 thousand islands, which is 18% of this country.

2. Greek cuisine

Being in Greece you can try real feta cheese, seafood, tzatziki sauce, filo cake, traditional chicken gyros, mutton or veal, taste the local alcohol – ouzo. However, if you want to go to the best restaurants, taverns and bars – visit Athens.

3. A lot of monuments and attractions

Greece is a country filled with history. During the trip you will not have a chance to see everything, but it is worth trying to visit some of the most important places.

## *The most interesting places to visit:*

1. **Delphi** is famous primarily for its magnificent archaeological monuments, among which the most stimulating imagination is the so-called Holy Circle with an oracle in the temple of Apollo.

2. **Athens** is the capital of Greece, filled with many excellent souvenirs of the past. The most popular among tourists is the Acropolis of Athens, where you can admire the magnificent building, which has become a model for the construction of this type of building throughout Greece.

3. **Meteors**, inscribed on the UNESCO list, called "rocks suspended in the air" and are located at the western end of Thessaly, at the foot of the Pindos Mountains.

4. **Vergina and Pella** lie in the Greek part of historical Macedonia. The village of Pella lies about 35 km away, west of Thessaloniki on agricultural land in a valley between two rivers. It was once the largest city and capital of Macedonia.

5. **The Athos Peninsula** is also called Agios Oros- Holy Mountain. Most of Athos, with the exception of its northern part, belongs to the autonomous state of Orthodox monks – the Theocratic Republic.

6. **The salons**, the capital of Macedonia, currently the most metropolitan, European and elegant city in Greece. The most famous and worth seeing monuments are: the White Tower built in the fifteenth century by the Venetians and the Arc de Triomphe of Emperor Galerius built in 297

### *What you can do in Greece?*

*Holidays in Greece can be spent in different ways: explore the whole of Greece, learning about its rich history, attend cooking courses or swimming or diving. In Greece, you can play basketball and volleyball, walk, sunbathe, get to know the cuisine of this country, sail ships and sailboats. Sometimes tourists have a good time exploring this country on their own – just rent a car and drive to different corners of this wonderful country.*
